

WHAT IS AN ESCAPE ROOM?

Escape rooms are experiences for anyone who enjoys hands-on puzzle solving, quick thinking, and interactive games. You and your team are "locked" in one of our themed rooms containing puzzles and riddles which must be solved within the hour in order to successfully escape. The rooms vary in size and complexity and each room offers its own unique challenge. Don't worry about getting stumped, each of our rooms is run by a [Game Master](#) who will walk you in, give you the do's and don'ts, and will also administer helpful hints and clues to aid in your escape.

BOOKINGS

- Escape rooms begin PROMPTLY at their posted start time, you must arrive 15-20 minutes before game time.
- Groups with any players under 16 years old MUST have an adult (18+) player with them.
- No children under the age of 7 are allowed in our escape rooms. Groups with children aged 7-10 MUST reserve a full room (Private Event).
- If you want to play an escape room that you have already attempted, you MUST reserve the entire room.
- If your group has more than the maximum number of players allowed in a room, give us a call and we may be able to work something out!
- **BOOKINGS ARE NON-REFUNDABLE AND CANNOT BE RESCHEDULED.** Once purchased, escape room tickets CANNOT be refunded and CANNOT be rescheduled because your space is being guaranteed for the selected time slot.

RULES

(YOUR GAME MASTER WILL GO OVER THESE BRIEFLY WHEN THEY TAKE YOU INSIDE THE ESCAPE ROOM)

1. No photos or videos are allowed inside of the rooms
2. No children under the age of 7 are allowed in the rooms. Children 7 - 10 must be accompanied by an adult at all times in the room, however **our escape rooms are not recommended for groups of children under the age of ten.**
3. All puzzles and riddles can be solved with both feet on the ground, no climbing or jumping necessary.
4. There may be objects in the room that have stickers on them with labels such as "Don't touch" or "Do not lift"... these stickers mean what they say and they are there to keep you safe.
5. If it does not move or open easily...it is not meant to move or open. Please do not force objects or locks open.
6. **Any broken rule will result in a 5 minute time penalty. Our rules are easy to follow and are rarely ever broken.**

GENERAL TIPS

- Follow the rules...your game master can see and hear you at all times!
- Communicate! Teamwork is a MUST!
- Explore! Don't be afraid to rummage around!
- Divide and Conquer. Don't be a peewee soccer chasing the ball. There can be multiple puzzles to work on at any given time.

- Different people excel at different puzzle types. If you get stuck on the same puzzle for awhile, invite someone else to look at it for a fresh take on it!
- The most obvious answer is usually the correct one.
- If there are children in your group, do not underestimate them. They can see things in ways that you cannot.
- These rooms are meant to be challenging, don't be disgruntled if you do not escape.
- If you are working with strangers, don't fret! You have a statistically better chance of escaping!

WAIVER

Everyone over 18 in your group will need to sign an individual waiver if they want to play the room, adding minors as needed. You can add as many minors as you need to each adult waiver. Signing the waiver here means you do not have to sign it when you check in with us, but you can also sign the waiver before your game during check in.

Signing a waiver form does not = completed booking!

If you would like a copy of the waiver sent to you, make sure you check "Email myself a copy"

If you did not receive confirmation email make sure to check the spam folder in your email
